Therefor the agreed fee is: \_\_\_\_\_

The mare owner agrees also to pay all freight charges on the container shipments. The postal charges will be billed by the breeding station.

The semen will ONLY be shipped if the breeding fee with side costs is completely paid!

If the mare will not receive the mare owner can try it again in the following year and use the strings he still got left. No further breeding fee will be billed for the following year of this contract. If the mare owner wants to split the Straws on multiple mares the stallion owner should be informed prior to breeding. This contract is a purchase of Doses / Straws and not Breeding Fee for only one mare.

The stallion is paid in to the German DQHA Studbook.

Following documents have to be given to the stallion owner:

Copy of „Certificate of Registration“ of the mare (prior of signing the contract)  
Copy of PSSM test (prior of signing the contract). Only PSSM and HYPP n/n mares will be bred

The breeding fee should be paid to the following account:

Account owner:  
IBAN: SE91 6000 0000 0007 6348 6388  
BIC : HANDSESS

**The mare owner must inform the stallion owner if the mare has received until 31. Oct. of the breeding year.**

**Semen Order:**

1. It is advisable to get in contact with the breeding station **at least one week** before the semen should be send
2. There is no delivery on Saturdays, Sundays and red days

**Life Foal Guarantee (LFG)**

This agreement does not include a live foal guarantee!  
The mare owner hast to inform the stallion owner about a dead foal 24 hours after the birth.

**Exclusion of liability:**

Stallion owner is not liable for:  
Incorrect handling of the semen of the breeding station, shipment and of the insemination of the veterinarian.  
Vet-Check your mare for breeding soundness! Work with an experienced veterinarian!
