The mare owner agrees also to pay all freight charges on the container shipments.
The postal charges will be billed by the breeding station.

The semen will ONLY be shipped if the breeding fee with side costs is completely paid!

This contract is for the Frozen Semen Doses and not a Breeding Fee for Mare. There are several Mares that can be bred with the amount of Straws purchased. No further breeding fee will be billed for the following year or several foals being born.

The stallion is paid in to the German DQHA Studbook.

Following documents have to be given to the stallion owner:

Copy of „Certificate of Registration“ of the mare (prior of signing the contract and after breeding as confirmation)
Only PSSM and HYPP n/n mares will be bred

The breeding fee should be paid to the following account:

Account owner:
IBAN: SE91 6000 0000 0007 6348 6388
BIC : HANDSESS

The mare owner must inform the stallion owner if the mare has received until 31. Oct. of the breeding year inkl. breeding Dates!

Semen Order:

1. It is advisable to get in contact with the breeding station **at least one week** before the semen should be send
2. There is no delivery on Saturdays, Sundays and red days

Life Foal Guarantee (LFG)

This agreement does not include a live foal guarantee!

Exclusion of liability:

Stallion owner is not liable for:

Incorrect handling of the semen of the breeding station, shipment and of the insemination of the veterinarian.

Vet-Check your mare for breeding soundness! Work with an experienced veterinarian!
